The only day in August that could pose a problem in the 20th as I have a trial in Pittsfield (I also have a case in Springfield scheduled for the 24th).

Thank you for the heads up - I will try and move the case to August. Are there any days that you know of now that are bad in August?

Hi Sonja,

I just wanted to let you know that I was actually sent out to trial today on another one of my cases so this case had to get a new date. The new date is July 9, 2010. I hope this is a good date for you - please let me know if it's not.

Thanks,

Alyson

Hi Alyson-

I'm curious if there have been any changes in the [REDACTED] case scheduled for trial tomorrow, May 11, 2010, that affect me (i.e. plea, continuance, etc.)? Also, you had me on call for the last scheduled trial date for this case - am I correct to assume that I will be on call tomorrow as well, or do you definitely need me there at a given time? Thanks.

-Sonja
